Student Declaration

As a student of IMPT I understand that in addition to the fees paid for training sessions, I will also need to register with ACCA and to pay all fees in order to be eligible to sit the ACCA examinations. I further understand that in order to remain an ACCA Student, I will need to pay an initial subscription fee (as determined by ACCA). For each year that I remain an ACCA student, I am required to pay an annual subscription fee.

I understand that the ACCA exams are offered as paper-based for all courses (held in June and December annually) but that I have the option to sit computer-based examinations if I so choose for certain papers, namely: FIA Papers 1 – 7 and ACCA F1 – F3. As an ACCA student it is my responsibility to pay all ACCA fees when they fall due, including fees for examinations and subscriptions.
